

AN EVENT FOR PARENTS & CARERS

# POST 19 EDUCATION WHAT IS MY CHILD ENTITLED TO?

## Event for Parents & Carers:

The Children and Families Act 2014 provides that an Education, Health and Care Plan can continue to be maintained until the age of 25. However, the law does not provide a right of education to the age of 25. To date, this is resulting in a post code lottery of provision where some young people are receiving provision post 19 and others are not.

This seminar is for parents and carers who are concerned with the provision which is being offered to their child after the age of 19. The seminar will explain:

- The duties of the Local Authority
- The young person's rights and how you can support them
- How social care support may be accessed
- Your rights to request specialist independent college placements and therapies
- Appealing to the Special Educational Needs and Disability Tribunal

The seminar will take place in **Cambridge** on **Tuesday 21st February 2017**. We will be running two different slots due to the demand.

**Session 1 - 10.00 am to 1.00 pm**  
**Session 2 - 5.00 pm to 8.00 pm**
